This Fund is managed by AXA Investment Managers UK Limited, part of the AXA IM Group

Objective and Investment Policy

Investment Objective

The aim of this Fund is to provide long-term capital growth.

Investment Policy

The Fund has at least 70% of its investments in shares of companies domiciled, incorporated or having significant business in the UK which the fund manager believes will provide above-average returns. The Fund invests primarily (meaning at least 70% of its assets) in medium-sized companies. The fund manager selects shares based upon analysis of a company's financial status, quality of its management, expected profitability and prospects for growth.
The fund manager has full discretion to select investments for the Fund in line with the above investment policy and in doing so may take into consideration the FTSE 250 Ex Investment Companies index. The FTSE 250 Ex Investment Companies index is designed to measure the performance medium sized UK listed companies across a wide range of industry sectors. This index best represents a core component of the Managers' investment universe.
This Fund is actively managed in reference to the FTSE 250 Ex Investment Companies index, which may be used by investors to compare the Fund's performance.

Risk and Reward Profile

Lower Risk ← → **Higher risk**

Potentially lower reward — Potentially higher reward

1	2	3	4	5	**6**	7

The risk category is calculated using historical performance data and may not be a reliable indicator of the Fund's future risk profile.

The risk category shown is not guaranteed and may shift over time

The lowest category does not mean risk free.

Why is this Fund in this category?

The capital of the Fund is not guaranteed. The Fund is invested in financial markets and uses techniques and instruments which may be subject to sudden and significant variation, which may result in substantial gains or losses.

Additional Risks (risks materially relevant to the fund which are not adequately captured by the indicator)

Liquidity Risk: some investments may trade infrequently and in small volumes. As a result the Fund manager may not be able to sell at a preferred time or volume or at a price close to the last quoted valuation. The Fund manager may be forced to sell a number of such investments as a result of a large redemption of units in the Fund. Depending on market conditions, this could lead to a significant drop in the Fund's value and in extreme circumstances lead the Fund to be unable to meet its redemptions.

Further explanation of the risks associated with an investment in this Fund can be found in the prospectus.
